CEL ACTION UPDATE

Our management team has contacted everyone who requested a call back on their CEL comment cards. As part of our commitment to service we are implementing actions directly as a result of the feedback we received. Here are just a few of the direct actions we are taking now:

Our maintenance managers are calling 100% of the residents who have an urgent or emergent work order.

We are making additional repairs to playground equipment.

Providing increased accessibility to our management team through a variety of methods including our meet and greet event on 02/19 at the Bangor Community Center

We look forward to updating you on more direct action that is taking place because of your feedback. We also encourage you to reach out not just during the CEL survey but all year round. One avenue for submission of this feedback is an email to navynorthwest@huntcompanies.com.
