CEL RESIDENT SATISFACTION SURVEY

A great big "THANK YOU!" to everyone who took the time to complete their survey. We hope you all turned in your entry forms for the prizes. We will be drawing the winners soon and will notify them by phone or email to come pick up their prize. Good luck!

COMPLIANCE: FOR SAFETY AND WELL-BEING

Living in family housing has its benefits: close proximity to base activities and services as well as creating a real sense of community. But living so close together can have its challenges, too. By following a few simple rules it will help ensure a positive environment for all.

- Clean up after your pets in your home, in your yard and especially whenever they are in the community. Dogs must be leashed at all times and cannot be left unattended outside and/or tied to common area trees, posts or other fixtures.
- Please park in designated spots (garages, driveways, street (where available)) and not up on the curbs or in the grass or anywhere that impedes the flow of traffic.
- Help keep the community looking neat and tidy by storing toys, lawn furniture and other personal belongings properly when not in use.

DON'T FORGET TO CLEAN UP AFTER FIDO

PLEASE PARK PROPERLY

CEL RESIDENT SATISFACTION SURVEY - RESULTS (not yet)

We want everyone to know how important the CEL survey is and that we listen to what you have to say. Thank you for your thoughts and feedback.

The survey results are not yet available from CEL & Associates, the administrator of the survey. It will be a month or so before they have compiled all of the results and provided us with scores and comments. We want to be able to share these results in some form with our residents and also let you know what our plans are for responding to comments and following up on issues that were brought to light.

Watch for results to be shared as soon as we are able. Information may be shared via email or Facebook - but rest assured we always have and always will take the comments and scores we receive very seriously.
