CEL RESIDENT SATISFACTION SURVEY PRIZES

We will be drawing the winners for participating in the CEL survey this year very soon. Watch for details.

We can't thank you enough for taking the time to provide us with your thoughts and feedback. Well, at least we can directly thank a few folks with these prizes!

COMPLIANCE: FOR WELL-BEING AND SAFETY

Living in family housing has its benefits: close proximity to base activities and services as well as creating a real sense of community. But living so close together can have its challenges, too. By following a few simple rules it will help ensure a positive environment for all.

- Clean up after your pets in your home, in your yard and especially whenever they are in the community. Dogs must be leashed at all times and cannot be left unattended outside and/or tied to common area trees, posts or other fixtures.
- Please park in designated spots (garages, driveways, street (where available)) and not up on the curbs or in the grass or anywhere that impedes the flow of traffic.
- Help keep the community looking neat and tidy by properly storing your trash and recycling bins by 8:00PM the same day as pick-up.

CEL RESIDENT SATISFACTION SURVEY - RESULTS IN THE WORKS

We want everyone to know how important the CEL survey is and that we listen to what you have to say. Thank you for your thoughts and feedback.

The survey results are not yet available from CEL & Associates - the administrator of the survey. It will likely be after the first of the year before they have compiled all of the results and provided us with scores and recaps. We want to be able to share these results in some form with our residents and also let you know what our plans are for responding to comments and following up on issues that were brought to light.

Watch for results to be shared as soon as we are able. Information may be shared via email or Facebook - but rest assured we always have and always will take the comments and scores we receive very seriously.
