Our President's Message

The month of June was a very busy month for Hunt Military Communities. As most of you saw in the recent letter we sent to each of you, we've heard loud and clear that we need to be more responsive to the needs and concerns of each of you, which means giving you a stronger voice and making sure that you are heard within our communities. To that end, we've undertaken a top-down review of our processes, policies, training programs, and the tools at our residents' disposal to ensure we fulfill our responsibilities. All of those changes are outlined in the letter you should have received. If you have

not, please let your Community Director know as soon as possible.

Also in June, HMC's non-profit organization, the Hunt Heroes Foundation (HHF) had a very productive meeting with Stop Soldier Suicide (SSS). SSS and HHF have a very strong relationship, and this strategic meeting outlined ways that we can help support their mission in ending suicide among active duty military members, veterans and retirees. Stay tuned for more information on how this partnership will evolve and what you can do to support it. As always, if you are interested in learning more about the Hunt Heroes Foundation, or supporting its cause, please log onto huntheroesfoundation.org

Be an active voice in your neighborhood by becoming a member of the Community Advisory Board(CAB)

We are looking for residents from each neighborhood to join our Community Advisory Board (CAB). The purpose of the CAB is to encourage residents to engage in their community and positively affect the quality of life of families living within our community.

The CAB will meet monthly to give the CAB members an opportunity to share their ideas and suggestions, express their concerns, and work with their property management team to develop solutions. CAB members are volunteers and can be service members, spouses, or both. An email was sent to our residents with a flyer and an information sheet to fill out and return by July 15th if you are interested in being part of the CAB.

If you did not receive the email or need a copy of the information sheet, please give up a call at 360-394-7304.
