

# Motherly Memories Wearing Blue to Remember

## Our President's Message

As we welcome warmer days and longer nights, we also look to a future of doors opening back up and life returning to a new normal. I want to personally thank you for your patience this past year as we all navigated the safest way to serve our residents, employees, and our partners. It was not easy to manage an unexpected pandemic, but we did so, always keeping our residents' best interests and safety first and foremost. Over the course of the next month, we

hope to begin opening up our amenities (as appropriate and approved by local guidelines) and see a full return of staff to our offices. Our teams look forward to seeing you and helping you in any way we can. And as a reminder, one of the best ways to help minimize the spread of COVID-19 is to get vaccinated. If you are having difficulties finding a location where you can receive your vaccination, please check out [vaccinefinder.org](https://vaccinefinder.org).

Best,

**John Ehle**

# Memorial Day - Wear Blue Run!

Wear Blue: Run to Remember was founded following the redeployment of 5-2 Stryker Brigade Combat Team, a unit that, while deployed to Afghanistan in support of Operation Enduring Freedom, sustained a significant amount of combat losses and casualties. During that deployment, a small group of 5-2 wives and battalion support staff met weekly to run, seeking to create a support network for one another during this challenging and heartbreaking deployment. When the brigade returned, two of those Army wives and avid runners, Lisa Hallett and Erin O'Connor, turned this small group into a nationwide vision that now helps thousands heal from and work through the more challenging aspects of military life during a time of war. Lisa's husband, CPT John Hallett, was one of four soldiers killed in that unit on August 25, 2009, while returning from a goodwill mission in Southern Afghanistan.

Today, this group runs to honor all military members killed in combat and has evolved into a powerful network of active duty and retired service members, military families, Wounded Warriors, Gold Star families and community members.

For the cream filling:

- 6 tbsp fat-free sweetened condensed milk
- 1 1/2 cups cold water
- 1 4 oz package white chocolate or cheesecake instant pudding mix

### DIRECTIONS:

1. Whisk the condensed milk and water in a bowl.

8. Layer the remaining cake cubes on top of the strawberries, then add more blueberries and top with the remaining cream mixture.
9. Finish with the remaining strawberries and blueberries, arranging them in a pretty pattern.

# Modified Site Operations

As Hunt Military Communities (HMC) continues to monitor the COVID-19 pandemic we continually look to adjust property operations in accordance with recommendations from the Centers for Disease Control (CDC), state, and local authorities. As a precautionary measure and abundance of thoughtfulness for the health and wellbeing of our staff and residents, we have made the following adjustments to our operations.

## NEIGHBORHOOD MANAGEMENT OFFICE

We will be available for your needs with precautionary measures in place for your safety and ours!

- We will be available in the office, Monday – Friday, 8 AM to 5 PM by appointment ONLY or for emergency purposes. Otherwise, our offices will be closed to the public.
- If you have flu-like symptoms including fever, cough, or difficulty breathing, please do NOT come to our offices. We are still here for you and can offer virtual assistance in all matters. Stay home and get well!
- To make an appointment to come to the office, please call us (360) 394-7304.
- If your rent is paid via check, please call to schedule a drop off, however; we highly encourage all residents to pay via RentPayment.com or automatic allotment if able.
- For up to date communications and to create a maintenance request, please register using the Hunt Resident App which can be found in the Apple or Android store.
- Move-ins, pre-inspections, and move-outs will be conducted with a Hunt representative and one other person only unless a virtual inspection is requested.
- Our offices will be limited to no more than 1-2 people in the office at a time. All others will be asked to wait outside or in his/her car to practice social distancing.
- Masks will be required to enter our offices. Please bring a mask along with you.
- The use of hand sanitizer will be required of all who enter our offices. We will have sanitizing stations on all office desks, we ask that you please use it.
- Multiple signs are posted throughout our offices reminding everyone to practice social distancing, wear a face mask, and preventative measures in stopping the spread of the virus e.g. washing hands, etc.

## What to expect from our team

We are taking extra precautionary measures to keep our office areas clean and safe for everyone's safety!

- Sneeze guards have been installed at every desk as an extra layer of protection.
- Our team is required to wear masks while in office.
- The team is required to use hand sanitizer after every interaction.
- After every visit, contact areas will be wiped down before the next person will be allowed to enter the office.
- Strict cleaning measures have been implemented at the opening of the office, throughout the workday, and at the closing of our office.
- HMC employees have and will continue to receive the required training on all policies and procedures to ensure understanding and adherence to the policy and standards set forth.

## MAINTENANCE SERVICES

Maintenance will continue to respond to ALL work order requests at this time. We will continue to screen prior to performing work in your home. Also, we are now requiring some additional precautions of our residents before we enter into a resident's home.

- We will be asking questions to identify any potential risk of exposure to COVID-19 to ensure the most appropriate response. Please note our policy instructs all employees and 3rd party providers to stay home if they are ill, showing signs/symptoms, or have been exposed to COVID -19.
- In order for us to perform repairs in the home, we will require residents to take the following action to ensure our employees can perform work in a safe manner. As a resident, you will have three options when a work order is performed inside their home:

1. Do not be inside the home while work is being performed.
2. Be located in a separate area of the home, with no engagement with our team member.
3. Only 1 member of the family is allowed contact with our team member, and if this occurs a mask must be worn along with maintaining appropriate social distancing.

While we understand this action will be disappointing to some, your health and safety, our employees' health and safety, as well as that of our military, civilian personnel, family members, and the base community is our top priority.

## What to expect from our Maintenance Team

Our technicians will continue to take extra precautionary measures to keep their vehicles and work areas clean and safe for all our safety!

- Technicians are required to sanitize their hands before entering the home at every visit.
- Technicians will utilize appropriate Personal Protective Equipment (PPE) to include face coverings, shoe coverings, eye protection, and gloves.
- We ask that anyone in the home maintain a 6-foot social distance. One adult is permitted in the work area, maintaining a 6-foot distance during the repair process. If present in the work order, we would further require a mask/face covering be worn. Please have all other family members and pets located in another area of the home.
- The technician will wipe down/sanitize all possible work surfaces and touch-points before and after the work is completed.
- Technicians are required to wipe down the interior of their vehicle and any touched surface after every home visit and at the beginning and end of their work shift.

## AMENITIES

Please know that our intent is to solely limit the exposure to COVID while still allowing some amenities to open for you and your families' enjoyment. We are taking great care to evaluate which amenities can be reopened or remain open with the safety of all in mind. We are thrilled to announce the Fitness Center will be open for use again on May 10, 2021. Keeping safety in mind for all, you will see reminders to maintain social distance and not to visit the amenity if you are ill, or experiencing any symptoms of COVID -19. # EMPLOYEE SPOTLIGHT

This month we want to Spotlight our new Resident Service Specialist Stephanie Herring. Stephanie has been an employee with HUNT since February 2021. She has enjoyed working as a Resident Service Specialist at both the Bremerton Base and The Landings. Before HUNT, Stephanie worked as a daycare teacher to

prekindergarten children. The work that she does is fulfilling. She gets to experience office work and also gets to work hands on with the residents. Her favorite motto is, "When you can't find the sunshine; be the sunshine." We look forward to the great things that she will accomplish in working for HUNT.
