# YEARLY REFLECTION HOLIDAY CHEER

## OUR PRESIDENT'S MESSAGE

Our team has taken time to reflect on all that has occurred in 2021. Although this past year was still not back to normal, we did take time to step back and assess ways we can better serve our residents. This past year we provided many programs to serve our families with children such as Hunt Little Heroes, Operation Homefront's Back to School Backpack Brigade, and our Patriot essay and video contest. We also conducted a food drive to help our military families and local community who may be addressing food insecurity concerns. These are just a few of the many programs, contests, and support services we were honored to provide our residents. Most importantly, we listened to your feedback from the CEL and Satisfacts surveys and took time to address areas you expressed as needing additional attention. We have prioritized several areas of our company to improve our service delivery and operating processes to create a better resident experience for your families. I sincerely wish you and your family happiness, good health, and time together with the ones you love most during the holidays. Thank you for your service and sacrifice for our great nation. We are grateful for you.

Best,

**Brian Stann**

## MAINTENANCE CORNER

Is your home ready for colder temperatures?? Check out the home maintenance reminders below:

- **Filters** - Please ensure that your air filters are replaced regularly (every 6 months). Stop by the maintenance shop to pick up your FREE filter when you are ready to replace them.
- **Smoke Alarms** - Test all smoke alarms to make sure they are working properly. Check the batteries and replace if necessary.
- **Thermostats** - Check the batteries and replace if necessary.
- **Hose bib Covers** - As the temperatures begin to drop, frozen pipes become a concern. Check your outside faucets and disconnect any hoses that may be attached. Secure your hose bib covers over the faucet for protection. If you are in need of hose bib covers, stop by the maintenance shop to pick one up.
- **Insect/Pest Control** - Residents are allowed and encouraged to treat any insect issues with insect sprays and/or repellents. If the issue persists or is recurring, please contact your maintenance shop for further assistance to resolve the issue.

# YOUR HOME

## WHAT YOU NEED TO KNOW

### LOCATING AND OPERATING WATER SHUT OFF VALVES

Knowing how and where to shut off your toilet or sink water supply is important in times of emergencies.

**Toilets:** Toilets have a single cold-water valve, called a "stop valve." Turn the handle clockwise to shut off the water if your toilet is overflowing.

**Sinks:** Look for the valve under the sink, usually at the back of the cabinet, they are connected to the water supply tubes that serve the faucet. One for hot, one for cold, usually with the cold on the right-hand side. Turn the valve(s) clockwise to turn off the water.

### YOUR THERMOSTAT

Check your thermostats to ensure they are working properly. Replace batteries if necessary. Always keep your heat ON. Reduce temperature to 55 degrees if you plan to travel and leave the home. Contact your local neighborhood management office if you plan to be away from your home.

### MOLD PREVENTION

#### REMOVING VISIBLE MOISTURE ACCUMULATION

- Remove moisture on windows, walls, ceilings, floors, registers and other indoor surfaces as soon as reasonably possible. Pay particular attention to bathrooms, the kitchen and the laundry room where moisture commonly accumulates.
- Always turn on exhaust fans in the bathroom and kitchen before you start showering or cooking and keep the fan running for several minutes after you finish.
- If there's some mold in the shower or elsewhere in the bathroom that seems to reappear, increasing ventilation and cleaning more frequently will usually prevent the mold from recurring, or at least keep the mold to a minimum.

**Our #1 goal is to provide our residents with safe and high quality communities in which to live.**

# HELPFUL TIPS

## DRYERS, HVAC FILTERS AND GARAGE DOORS

### Dryer:

You should be checking your dryer lint tray after each use. Did you know dryer lint is one of the leading causes of household fires?

### Filters:

Check your filter quarterly. Your HVAC unit works hard to push air throughout your house. By changing your filters on a regular basis, you help the unit operate efficiently and effectively. We can either change them for you, or visit our self help section in our Maintenance Shop if you would like to change quarterly.

### Garage Doors:

If the garage door won't close all the way, or closes and opens immediately, there may be an issue with the safety sensors, which are designed to prevent the door from closing on a person or object.

Make sure that the safety sensors are pointing at each other and in proper alignment – use a level if needed.

Use a soft cloth and a mild cleaner to gently clean the sensors to make sure no dirt is covering the eye. Softly wipe away moisture and residue, taking care to avoid scratching the sensors.

Make sure no toys, flower pots or other objects are obstructing one or both of the sensors. Each sensor should have a small light that shines when there are no obstructions.

## GARBAGE DISPOSALS

If your garbage disposal stops working try to press the red reset button first to see if it resets. Be sure to call Maintenance if it doesn't rest.

## SINK AND TUB STOPPERS

Closing your sink stopper while brushing your hair will prevent drain clogs. When finished remove hair and unstop your sink.

Adding a cover to your drain in the bathtub will also eliminate clogs.

# WINTER/HOLIDAY RECIPES

## Hot Wassail (Cider)

Recipe courtesy of Jen Nikolaus via YummyHealthyEasy.com

### Ingredients:

- 8 cups apple cider
- 2 cups orange juice
- 1/2 cup lemon juice
- 4 whole cinnamon sticks
- 12 whole cloves or 1 tsp ground cloves
- 1/4 tsp ground ginger
- 1/4 tsp ground nutmeg

### Instructions:

1. Combine all ingredients in a large pan.
2. Bring to simmer over medium-low heat. Reduce heat and continue simmering for 45 minutes. Ladle into cups or mugs and enjoy!

## Cookies for Santa

Recipe courtesy of Aimee via lml.d.org

### Ingredients:

- 1/4 cup unsalted butter (softened, 1/2 of a stick)
- 1/4 cup packed brown sugar
- 2 TBS granulated white sugar
- 1 egg yolk
- 1/2 tsp vanilla extract
- 10 TBS all purpose flour
- 1/4 tsp salt
- 1/4 tsp baking soda
- 1/4 cup Christmas m&ms
- 2 TBS chocolate chips
- 2 TBS white chocolate chips
- 1/2 TBS Christmas sprinkles

### Instructions:

1. Preheat the oven to 350 degrees Fahrenheit. Line a cookie sheet with parchment paper, or a silicone liner.
2. Add the butter, brown sugar and white sugar to a medium sized bowl. Cream it all together for 1 to 2 minutes, until it's light and creamy.
3. Add in the egg yolk and vanilla extract and stir it all together.
4. Add in the flour, salt, and baking soda, and stir it all together till you have a soft dough.
5. Add in the m&ms, chocolate chips, and sprinkles, and fold them into the dough.
6. Scoop the dough into 8 even sized cookie dough balls (about 2 TBS each) and roll them into balls. Place them on the prepared cookie sheet.
7. Bake the cookies in the oven for 8-9 minutes, until the edges are golden and the tops are set.
8. Let the cookies sit on the baking sheet for another 3 to 4 minutes, then transfer them carefully to a cooling rack to cool completely.

HUNT EMBRACES: ACTIVITIES, RESOURCES & TRAINING

## Hunt HEART Program

The **Hunt HEART Program** is designed to address the needs of our New Residents, Deployed Spouses, Recently Returned Deployed Spouses, those suffering a Family Crisis, or those needing to understand and access various resources available to them nationally, through military resources, and locally. This program is intended to assist those who need a little extra support. The HEART Program, which stands for **Hunt Embraces: Activities, Resources & Training**, provides services and educational training in the areas of navigating military life, how to access base resources, and activities for children and families.

The **Hunt HEART Program** is backed by a team of caring individuals whose goal is to make life a little bit easier and bring smiles to the faces of families facing challenging times.

### QUALIFICATIONS

Any resident with a deployed spouse, military members who just returned from deployment, new residents, and those experiencing a family crisis qualify to be in the Hunt Heart Program.

### ENROLLMENT

Residents who want to be considered for the Hunt HEART Program should contact the leasing office for enrollment. You will need to provide a copy of your orders (if applicable).

The **Hunt HEART Program** serves as an added bonus to living at a Hunt military community by providing deployed or absent service members peace of mind knowing that their loved ones will always have someone to contact for assistance while they are away.

### Hunt HEART Program HEART BENEFITS:

- Maintenance Plus
- HEART Days
- HEART Resources

### MAINTENANCE PLUS

Maintenance Plus is designed to assist families with tasks that are traditionally done by the absent family member. Services provided are in addition to the 24 Hour Emergency and routine maintenance services that are already provided.

#### **Services may include but are not limited to:**

- Assistance with hanging pictures
- Assembling bikes and toys
- Changing light bulbs
- Moving furniture
- Putting up or taking down Christmas decorations
- Grass cutting
- Weed removal from flowerbeds
- Box and packing material up

### HEART DAYS

HEART Days are special events in support of deployed service members such as preparing and mailing care packages twice a year and delivering special treats to spouses on Valentine's Day.

### HEART RESOURCES

HEART Resources are provided to assist our families in preparing and planning for deployment, or in time of family crisis.

#### **Resources may include but are not limited to:**

- A comprehensive Resource Guide including on-base and local community resources
- Introduction and guidance when navigating through new local school systems
