OUR CEO'S MESSAGE

Dear HMC Resident,

Our fifth annual Hunt Heroes Foundation scholarship program is now open and accepting applications. This opportunity is for those looking to attend secondary schooling at a 2-year, 4-year, or technical school. This year we will be awarding 18 scholarships totaling \$50,000. Those eligible include any active service member or their dependents. This is open to any branch of our armed forces and you do not need to be a Hunt Military Communities resident. All scholarship applications must be filled out online at: LearnMore.ScholarsApply.org/HuntHeroesScholarship. The deadline to submit an application is March 2, 2023, at 3 pm CST, or until 50 applications are received, whichever comes first. Even if you do not have a need this year, we invite you to share this opportunity with someone who qualifies. This is one of many charitable endeavors Hunt Military Communities is actively pursuing. Other top-rated charities that serve our active duty & military veteran populations include career transition assistance, housing, education, and health and well-being. Our support for these organizations, Tunnels to Towers, Hire Heroes USA, Travis Manion Foundation, Operation Homefront, and our scholarship program is all part of our desire to go above and beyond providing much needed services to our nation's heroes and their families. Thank you very much for choosing to live with HMC, and we hope you have a wonderful month!

Semper Fidelis,

Brian Stann

COMMUNITY ANNOUNCEMENTS

5 Easy Ways to Practice Self-care During the Month of Love

One: Nourish Yourself

What you eat plays such a huge role in how you feel, but eating healthy is not always the easiest proposition. If you start small by limiting your indulgences only a few times a week, or moderating portions of those, you will start noticing a change in how you feel. Another way to improve your eating habits is start meal-prepping on the weekends, and make sure you always have healthy and nutritious snacks on hand whenever hunger strikes.

Two: Drink More Water

Staying hydrated is good for your skin, your health, and your general well-being, and so many still do not drink enough water! If you crave a little more flavor, avoid drinks with a ton of added sugars and instead try an infuser bottle, where you can add things like lemons, cucumbers, or limes.

Three: Get Enough Sleep

Prioritize getting enough sleep! Create a nighttime ritual and an ideal sleeping environment that includes any number of things like investing in a sleep mask, limiting screen time to at least 30 minutes before bed, and making to-do lists for the next day before sleep.

Four: Schedule "Me" Time

Do not feel guilty about deciding to take some time and dedicating it to yourself! Do whatever helps you relax, recharge, and find inspiration.

Five: Exercise

Even if you can squeeze in only a 30-minute workout, you will feel amazing & energized!

"Both times, he was courteous, respectful, and very pleasant. There was a hiccup from the first repair, but he was able to resolve the issue quickly on the second call. He explained what the problem was, and how he was going to resolve it. I feel confident in his work. Also as requested, both times he contacted me by phone to schedule a time that was convenient for both parties. I appreciate that."
