COMMUNITY NEWS

5 Fun Facts about The Landings Family Housing:

- This area was originally known as Shell Point in reference to the large mounds of clam shells deposited on the point below what is now Jackson Park.
- In 1904, the U.S. Government purchased 255 acres of undeveloped land on Ostrich Bay for \$14,312.
- During WWII, the Jackson Park facilities grew from 20 buildings to 160, with over 2,800 active-duty and civilian workers.
- Our first four eras of homes at Jackson Park were built in 1965, 1968, 1970, and 1975.
- We are now a proud community of 632 homes.

MAINTENANCE TIPS

To prevent your garbage disposal from clogging, remember that full plates of food should be scraped into the trash prior to rinsing in the sink. Garbage disposals are not designed to dispose of a full plate of food, potato skins, or eggshells.
