CONGRATULATIONS NEW CHIEFS!!!

September 15th is the official pinning ceremony date. Let us be the first to congratulate the newest chiefs here at Naval Base Kitsap. Bravo zulu!

COMPLIANCE: FOR SAFETY AND WELL-BEING

Living in family housing has its benefits: close proximity to base activities and services as well as creating a real sense of community. But living so close together can have its challenges, too. By following a few simple rules it will help ensure a positive environment for all.

- Clean up after your pets in your home, in your yard and especially whenever they are in the community. Dogs must be leashed at all times and cannot be left unattended outside and/or tied to common area trees, posts or other fixtures.
- Never operate your grill closer than 10 feet from your home, wooden fence or overhanging branches. Store gas tanks safely and inspect them often for signs of damage or rust. If using charcoal, make sure coals are completely cool to the touch before discarding.
- Help keep the community looking neat and tidy by storing toys, wading pools, and other personal belongings properly when not in use. Also, please remember to park in designated spots, not up on the curbs or in the grass.

RESIDENT SATISFACTION SURVEY COMING IN OCTOBER

It's time once again for the annual CEL resident satisfaction survey! This is your opportunity to provide us with your thoughts and suggestions. We rely on your survey responses and comments to highlight what we're doing well and where we can improve.

In the past your comments have helped us add more amenities to the communities, addressed challenges you or your neighbors have had with compliance issues and more. The more responses we receive the better we can serve you!

We'll be delivering surveys door-to-door the first week of October. We also plan on having some fun events and prizes available during the survey cycle. Watch your email for more details as they become available. Thank you in advance for completing your survey and thanks for helping us be the best we can be!

Help us help you and ensure we have your most up-to-date email and phone number. Shoot us an email at westsoundrso@huntcompanies.com with your name, address and updated contact info. Thanks!

TOILET TIPS

A warning about using toilet tank cleaning tablets: please don't. Those products tend to cause problems with the fill valve, flapper and/or pressure tank. Any service calls related to this situation will be charged to the resident. However, the tablets that stick inside the bowl are perfectly acceptable for use and do not currently pose any mechanical failure risk. Please let us know if you have any questions...

RENOVATION and REPAIR PROJECTS

A few projects are wrapping up or were recently finished. Including the big paving project. Hurrah!

New, single-family home construction and carport conversions is ongoing. A Puget Sound Energy project began in July and is also ongoing; it involves upgrades to utilities they provide. As we receive updates from PSE we will certainly pass them along.

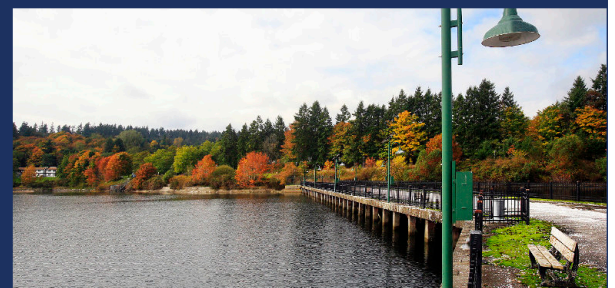

If you have any questions about project taking place in your neighborhood please give us a call: **(360)394-7304**
