RESIDENT SATISFACTION SURVEY

It's time once again for the annual CEL resident satisfaction survey! This is your opportunity to provide us with your thoughts and suggestions. We rely on your survey responses and comments to highlight what we're doing well and where we can improve.

Take a look at the calendar for all of the upcoming opportunities to get your survey and earn extra raffle tickets for the great prizes we are offering. Up for grabs will be: Sony PlayStation, 50-inch TV, Beats headphones, Poloroid camera and an iPad mini.

HUNT'S ANNUAL HELPING HANDS DAY - SEPTEMBER 22, 2017

You may have noticed that we were out of the office on Friday, September 22nd. Where were we and what were we doing? I'm glad you asked! We spent the day at Sherwood Community Services in Lake Stevens helping to spruce up their buildings and grounds. (www.sherwoodcs.org)

Since 1957 Sherwood has provided services and resources for people with disabilities in the greater Snohomish County region. We were so very proud to be able to help make the grounds and buildings a little more pleasant for visitors and staff alike.

Some of the projects we tackled were: painting the administration building, repairing interior trim, building two picnic tables and benches, repair/repaint a memorial bridge. And, since it was their 60th birthday we helped them celebrate with cake!

CEL RESIDENT SATISFACTION SURVEY BENEFITS

Besides the opportunity to win a great prize just for filling out the survey, the results of the survey and the comments you provide help us to improve our service to you and let us know what is going well so we can keep it up.

In years past we have added amenities such as dog parks, play equipment and altered the hours of the community center to address comments we received on the surveys.

We can't thank you enough for your candid thoughts and feedback. The survey is anonymous in order to encourage an unvarnished look into how you experience living in PPV (public-private venture) housing. Our inspiration comes from you, our residents, and we hope to get as close to 100% participation in the survey as possible. The more we know, the more we grow!

If you have any questions about the survey, the events or the prizes please do not hesitate to contact us.

HAVE A PLAN. BE PREPARED

It's difficult to know when disaster will strike, but you can help alleviate some of the stress by preparing for the worst. The recent events in Mexico City provide a grim reminder of the devastating power of earthquakes. The Washington Emergency Management Division (mil.wa.gov/emergency-management-division) has some great resources for what you can do to help yourself get ready. Things like: how to create a grab-and-go kit for you and your family, learn about potential hazards in the area around your home, get connected to your neighbors and develop a communication plan for out-of-state loved ones. To help further prepare, October 19, 2017 is the date of "The Great Washington Shake Out" (www.shakeout.org/washington). Check out this site for even more tips and how to participate in the "Drop, Cover and Hold On" drill.
